Lent 2020 - Daily Bible Reading Plan
The Gospel of John

For each daily passage, consider:

- What does it tell me about God?
- How does it change the way I think, make choices, act, & pray?

The passages link to the Lumo Project video series. If you have *the Bible* app or access to the internet, you can listen to the straightforward reading of each passage (NIV) whilst watching high quality film that helps you to see the action, emotions and context.
*N.B. There are **2** short video links in the green boxes. Don't miss the 2nd one!*

If you would like an electronic version of this Bible Reading Plan, download it from www.lancingtab.org Save the document on your device & just follow the link each day.
