Food Bank (An update from Mark and Linda)

A lot of work has been taking place to support the rising demand without meeting people face to face and without much food! As far as possible we are switching over to distribution of supermarket vouchers by post in order to keep everyone safe. This is complicated as we've had to include a system for receipts to be returned to ensure that the money is spent wisely. Occasionally food bags are being collected or delivered with distancing rules being complied with! Please pray for those dealing with the flood of incoming requests for help. It is emotionally draining for them at the front line when so many callers are vulnerable and frightened. Keeping the Food Bank going is proving to be very much a community effort. We are grateful for the support of Electric Storm Youth (deliveries), our gallant bag-packers working one at a time at the Children's Centre, the Lions for funding vouchers and many others. Please pray for the new system to be effective, that the team may remain strong and well and that needs will be met.
