Behind the scenes activity!

Just to let you know that during this period of hibernation we are seizing the opportunity to carry out some repairs and improvements at the Tab.

Social distancing rules apply of course
but that hasn't stopped progress yet!

Floors

The hall **FLOOR** has had its long awaited "strip & seal" pamper experience.

Doors

Plans are being made to upgrade 3 internal **DOORS** to fire doors with windows. Fear not—this doesn't include the toilets...

Stores

Excess art & craft **STORES** from the resource cupboards are being sorted for families in need of creative things to do at home. *If you have any unwanted crafty items, let us know [here](#)**.

Decor

Improvements are being made to the **DÉCOR** in the Pastor's Office. Shelves are down. Stripping sessions are organised.

Explore

We all have a great opportunity to pause and reflect on how our church (fabric and people) needs to develop to be a thriving effective church in 5, 10, 20.... years' time. Starting with the buildings we invite you to **EXPLORE** your thoughts, your imaginations and your internet browsers to come up with ideas. Dream big or small & send your ideas to us [here](#)*
